# ZGADNIJ

Spróbuj znaleźć wśród zdjęć swojego

This is a blackboard-style display for a photo identification game. At the top right, the word "ZGADNIJ" is written in large, bold letters. Below it, a yellow camera icon is pinned. Two white cards with black text are pinned in the center: "Spróbuj znaleźć" (Try to find) and "wśród zdjęć swojego" (among the photos of your own). The board is covered with numerous small black and white photographs of children. Some of these photos have small white numbers pinned to their bottom corners, likely indicating their order or a specific identifier. The photos show children in various settings, including portraits, group shots, and outdoor scenes. The board is mounted on a metal frame, and a radiator is visible in the background on the left.
