DARY LASU

RODZAJE LASÓW

OCHRONA LASÓW

ZIELSKINE

ZWIERZĘTA W LESIE

LJELWÓRKA

The poster is a comprehensive educational tool about forests. It features a central tree graphic that branches into various topics. The 'CO DAJE LAS?' section lists products like wood, paper, and honey. 'CO NAM DAJE LAS?' discusses environmental benefits like oxygen production and carbon sequestration. 'RODZAJE LASÓW' categorizes forests into leafy, coniferous, and mixed types. 'OCHRONA LASÓW' includes a 'Nie zamieć szyszki' (Don't throw needles) sign and a 'Zaleskine' (Reforestation) sign. 'ZWIERZĘTA W LESIE' features a 'Ljelwórka' (Squirrel) sign and photos of forest animals. 'DARY LASU' displays various forest products like mushrooms, berries, and honey. The poster is decorated with numerous small illustrations and photographs of forest scenes.
